## Language of the Soul

**At the first light of dawn it begins; softly, caressingly, rising gracefully from the mist with untold promise of a new day.**

**Soon, it takes flight, embracing the azure sky, dancing in an easterly wind, and the sound is the voice of thousands of years of strong, passionate, resolute women singing from their souls.**

**One by one, Anael shares their gifts; a sacred Hebrew prayer, an Italian love song, each a tapestry of past, present & future, each a tribute to the magnificence of all creation.**

**This language knows no barriers, It hides no enigmatic mystery, It is but a heartbeat from eternity. It is the language - of the soul.**

At the first light of dawn  
it begins; softly, caressingly,  
rising gracefully from the sea  
with untold promise of a new day.

Soon, it takes flight, embracing  
the azure sky, dancing in an  
easterly wind, and the sound is  
the voice of thousands of voices  
strong, passionate, resolute,  
singing from their souls.

One by one, Anael shares their gift  
a sacred Hebrew prayer, an Italian  
love song, each a tapestry of  
present & future, each a tribute to  
the magnificence of all creation.

This language knows no barriers,  
It hides no enigmatic mystery.  
It is but a heartbeat from eternity.  
It is the language - of the soul.
